CUSTOMER OVERVIEW

BenBlock Capital is a cryptocurrency exchange platform based in Philadelphia, Pennsylvania. Founded in 2018, the platform provides trading solutions, investment advisory, and liquidity management services for retail and institutional clients. Despite the booming interest in crypto assets, BenBlock Capital struggled to establish a dominant presence in the highly competitive Philadelphia market.

CHALLENGES

BenBlock Capital faced multiple hurdles in establishing itself as a leading cryptocurrency exchange in Philadelphia. The lack of a clear market strategy and limited brand recognition hindered its growth potential.
