

Participate in Online & Offline Webinars

Step 1: Pre-Webinar Preparation

1. **Identify Relevant Webinars:** Research and select webinars that align with your exchange's goals and target audience.
2. **Register Early:** Secure your spot and gain access to pre-event materials.
3. **Prepare Your Presentation:** If you're a speaker, create engaging content and slides.
4. **Test Equipment:** For online webinars, check internet connection, camera, and microphone.

Monday Market Matters:
Trading Using Trendlines

10.3.25
2:00-3:00

Register

Paul Wallace

CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. 71% of retail investor accounts lose money when trading CFDs with this provider. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money.
